

WHITE WINES | GRAND CRU

Riesling Schoenenbourg 2019

Terroir

Located in the commune of Riquewihr, in the Grand Cru, the vines are on deep soils (marl and limestone) at an average altitude of about 260 metres.

Facing south, the terroir is early.

Viticulture & Vinification

The vines are ploughed and grassed every other row. The vines are worked according to organic farming methods, with care and without chemicals, in order to respect the natural balance.

The grapes are harvested by hand and pressed as whole grapes with slow fermentation and maturation on fine lees.

Characteristics

Golden yellow colour.

A nose of very ripe fruits such as vine peach and beautiful mineral notes. In the mouth, the terroir expresses itself with elegance: length and fatness are supported by a beautiful acidity.
