

WHITE WINES | EXPRESSION

Gewurztraminer 2023

A wine rich in flavours

Terroir

The vineyard planted with Gewurztraminer in 1972 is located in the commune of Hunawihr, in a place called Weissengrund (white earth). The soil is rather clayey, which is perfectly suited to this grape variety.

Viticulture & vinification

The vines are ploughed and grassed every other row. The work of the vine, according to the methods of the organic culture, is carried out with care and without chemical products, in order to respect the natural balance.

The grapes are harvested by hand and pressed as whole grapes with slow fermentation and maturation on fine lees.

Characteristics

A lemon yellow colour with a beautiful brilliance.

An intense, complex and fragrant nose with aromas of exotic fruits and soft spices such as liquorice.

The finish is full, rich, velvety with a slight hint of sweetness.

Food pairings

It can be enjoyed as an aperitif. It goes well with oriental and Asian cuisine such as a tagine or an Indian curry.
