Riesling Grand Cru Rosacker 2023

Subtlety and elegance of the terroir

Terroir

Located in the commune of Hunawihr, at the place called "Heitzberg", the vines are at an altitude of 340 m and face South with a very chalky subsoil (Muschelkalk).

Viticulture & Vinification

The vines are ploughed and grassed every other row. The vineyard is worked according to organic farming methods, with care and without chemicals, in order to respect the natural balance.

The grapes are harvested by hand and pressed as whole grapes with slow fermentation and maturation on fine lees.

Characteristics

A beautifully clear pale yellow wine, with all the power and restraint of its terroir.

The nose shows delicate floral aromas, while the palate tends towards yellow fruit, such as pear and apricots. A long, intense finish with good salinity.

This is the Riesling with the longest cellaring potential.

Food and Wine pairings

Riesling Rosacker Grand Cru pairs wonderfully well with fish and with meat in cream sauce, as well as with spicy starters.

“Riesling Rosacker” Appellation AOC Alsace

Vintage	2023
